# ITHACA CHILL CHALLENGE

## DIP or DODGE!

**January 1, 2021  
at 1:00 pm**

The Ithaca Chill Challenge is an annual fundraising event for Ithaca Community Recovery. The challenge is a Polar Plunge, but with a twist. Regardless of who winds up in the lake, all donations go to support ICR. Only the "Dippers" will join us in person this year, but we're still planning to celebrate with everyone, thanks to the wonders of technology!

### The Twist

Each participant will have their own page for donations, and their donors can "vote" with their \$\$\$ to either...  
"Dip 'em" and they'll have to run into the lake for a dip  
OR  
let 'em "Dodge" and they'll get to stay dry at home and watch from the live Zoom broadcast!

Prizes for the top five individual and top three team fundraisers  
Prizes for best costumes - Zoom participants included  
Gifts for participants raising over \$150

Registration in advance is required.
