

ITHACA COMMUNITY RECOVERY, INC.

"Serving The Recovering Community since 2000"

The 4th Annual Ithaca Chill Challenge is a fundraising event for Ithaca Community Recovery. The challenge is similar to a Polar Bear Plunge, but will feature a "Dip or Dodge" option. Donors will be able to contribute to participants either in favor of their accepting the challenge and taking a dip in Cayuga Lake or in favor of their dodging it and staying warm at home or watching the dippers from the shoreline.

Ithaca Community Recovery, Inc. is a small nonprofit organization dedicated to supporting the local recovery community. We do this by providing safe, affordable, and convenient meeting space for 12-step and other recovery-oriented groups in a drug and alcohol free facility.

On New Year's Day 2020, we will host an
Ithaca Chill Challenge
in Cayuga Lake.
January 1st, 2020 at 1:00 pm at the Ithaca Yacht Club.

You can find participants to sponsor at the web site: <http://ithacachillchallenge.org>.
Email the committee with any questions: events@ithacacommunityrecovery.org
